

ÉLECTRICITÉ

Symboles pour les schémas électriques

Croisement de conducteurs sans connexion		Voltmètre	
Croisement de conducteurs avec connexion		Ampoule	
Mise à la masse		Générateur (de tension)	
Mise à terre		Pile	
Interrupteur ouvert		Condensateur	
Interrupteur fermé		Condensateur variable	
Résistance		Bobine	
Photorésistance		Moteur	
Résistance variable		Diode	
Fusible		Transformateur	
Ampèremètre
